Minutes of Last Meeting (10/23)

By Sean Wang

Taipei TMC FB Page

Every successful regular meeting has hero behind the scene. Thanks for Jen carried the heavy projector from Tao-Yuan and Andy's 神救援 to get an HDMI converter cable for the Lap-top in last 10 minutes.

Our forever English teacher Maggie Hsieh presented her 1st report speech for the HPL (High Performance Leadership). The project is to host a special course named "CLT" in ZGHS (Zhongshan Girls High School 中山女高) for the 1st grade students. "CLT" stands for "Communication & Leadership in Toastmaster's way". We believe those young students are very lucky to have a chance to learn from Maggie.

In prepared speech session, the young lovely interpreter Ellen Cheng gave her C4 speech which titled "Work-Life Harmony". She pointed out that a busy life is not possible to be "Balance" between all the roles we played simultaneously. No matter put the priority as Work or Life is not a good choice. But there is a way to well manage them to be harmoniously. She also offered useful techniques and tips in her content. Hope everyone will learn how to have enjoyable busy life after listen to her speech. ;)

Very potential young speaker Andy Chen delivered his C2 speech. As last time, he prepared a well-designed PowerPoint for the show and told us a "Secret". He started by mentioning a famous book "The Secret", but twist to his own opinion which is "No matter your wish is positive or negative, it will come true. For example, he prayed to his god "No English, no coding" while he was a student, but eventually he works as a programmer now.

The Language Evaluator tonight is Vincent Chao. As usual, a successful CEO can turn any kind of speech become humorous speech. The misunderstood of ZSGH as "Zhongshan Senior Girl High school" is really funny. And the unlimited making sentence of the saying "Don't ask what your country can do for you but ask what you can do for the country." was also interesting so everyone may never forget it.
