Minutes of Last Meeting 2019/04/23

By Lily Lee

From VPE's viewpoint, I felt flurried and exciting tonight. Because I got absent notification 4 hours before the meeting and had to find IE helper immediately. Luckily, we had capable helpers Peter Wu from Pega Pega TMC and Eric Hsu from Grand TMC to support us. Vincent Chao took dual roles to be the acting President and LE. Vincent also prepared the prize and handmade certification in a short time. I appreciate your support. Thank you.

Regarding the speeches tonight, Florian Ma introduced Cathédrale Notre-Dame de Paris which was engulfed in fire recently. Florian introduced the importance of the architecture and also shared the story of Victor Hugo's novel. We learned the greatness of time and the fragile of human. This is a good storytelling speech.

Ras Huang delivered his A60 speech. This is a great achievement. Visiting a club is an exciting first step to reach your goal. Managing club and encouraging club members to achieve better performance is another lesson we can practice. Ras used a humorous way to share his experience in another Toastmasters Club speaking Japanese. The speech is very entertaining.

Valerie Chu delivered her first Ice Breaker speech. Valerie introduced her family and childhood. Valerie's father was a teacher and forbade Valerie to watch too much TV. On the contrary, Valerie's mother was more gentle and tried to cover up the watching TV activities. This sounds like a spy versus spy story and is interesting. Valerie's performance was good and got the Best Speaker tonight. Congratulations!
